KINDERGARTEN EDITION

JUNE – JULY 2023

From the Desk of the Principal

Intelligence plus character – that is the goal of true education.”

–Martin Luther King Jr .

It has been a busy and fantastic first few months at HIS -- and it has whizzed by so fast that the end of the first term is just around the corner. The hustle and bustle of the new academic year was incredibly smooth, and we want to thank all of you for your patience and understanding as we have settled into our daily routines.

Throughout the month of July, we focused on the value of Obedience. In John 14:15, Jesus said, "If you love me, obey my commandments". During assembly, students talked about the rewards that come from obedience and consequences that come as a result of disobedience.

During July, we focused on another trait: Self-Control, one of the fruits of the spirit. We had guest speakers who spoke on the importance of having self-control through various fun-filled activities. As we partner together in raising up the next generation, let us be vigilant to deposit in them the true character of Jesus Christ every day.

Looking forward to an amazing '23 - '24 academic year!

AROUND SCHOOL

From Nursery to UKG, students have had a busy yet fun first term. During the first term, they had Show-and-Tell, Colour Day and a special session on Gender Sensitivity. They are learning many new concepts and reviewing old ones, while taking some time for music, dance, art and physical education. In between it all, they are making friends and strengthening their social skills. What a fun time to be in kindergarten!

SHOW 'N' TELL

Students were excited to bring one of their favourite things from home to show their fellow classmates and tell why it is special.

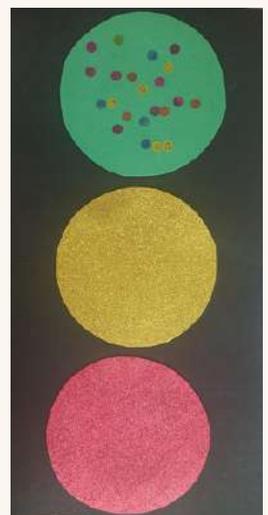

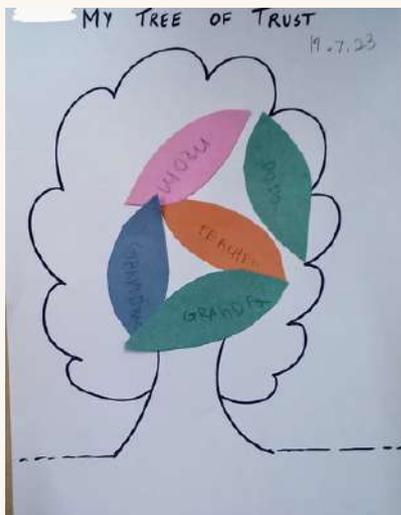

STUDENTS OF THE WEEK

Toward the end of July, Kindergarten kickstarted the Student of the Week program for the year. Congratulations to the Students of the Week for mid July to mid August!

GENDER SENSITIVITY

A special session was held to help students think about safe boundaries, safe and unsafe touch and people they can trust.
