

Newsletter Highlights

As the first term came to an end, the second term began at full speed. Students have been busier than ever learning, and in between they have enjoyed a variety of events: Cultural Week, Independence Day, Inter-school Sports' Competitions, Teacher's Day, as well as the much anticipated Annual Sports Day. Events from the past two months can be found in this edition of the Heritage Herald – except for Sports Day, which will have its own special edition released later this year.

The Boys' Football Team came in Third at the BIS Inter-School Sports Competition.

Stay tuned for Sports Day 2023

Praying for the Nation

Prayer was a major focus of this year's Cultural Week. Here students are praying for the Nation.

Cultural Week

Independence Day came just before the 1st Term Assessments, and with Independence Day comes the celebration of culture. This year students celebrated both Indian culture and global culture, as classes "adopted" and learned about another country or Indian state. The secondary section adopted both a state and a country.

Students made posters about traditions, food, clothing, history and other aspects of their country/state. On a specified day, they enjoyed dressing up and sharing delicious food – it was quite the feast!

In addition to fun celebration, priority was given to prayer. As they learned about a new culture, students thought carefully about how they could pray for their adopted area. Some classes hung up prayer points and encouraged other students and teachers to pray for those points. One class made prayer bands to help them remember to pray for their state. In addition to praying for their class state or country, the entire school remembered Manipur, asking God to bring peace and to help all who have been displaced.

The day before Independence Day, Secondary students played games that were Made in India, such as Chess, Ludo and Kho Kho. Finally, the festivities ended on the beautiful note of Independence Day, in which older students gathered in honour of the flag hoisting and to remember the treasure of freedom.

HAPPY INDEPENDENCE DAY

Celebrating India's Freedom

On August 15, students from grades 5-10 gathered on the school grounds to commemorate India's 76th Independence Day. It was a delightful morning filled with songs, a dramatisation, speeches in Kannada and Hindi, dancing, group activities and prayer.

5th Grade Re-enactment of India's Freedom Fighters

Where the mind is without fear and the head is held high, where knowledge is free. Where the world has not been broken up into fragments by narrow domestic walls. Where words come out from the depth of truth, where tireless striving stretches its arms toward perfection. Where the clear stream of reason has not lost its way into the dreary desert sand of dead habit.

Where the mind is led forward by Thee into ever widening thought and action. In to that heaven of freedom, my father, LET MY COUNTRY AWAKE!

- Rabindranath Tagore

Praying Together

HIS Teachers and Admin

After the Independence Day Ceremony, students, teachers and parents gathered in groups to pray. Then the students worked in class groups to design posters that illustrated *India Today* and *India Tomorrow*, how they envisioned India's future.

Teacher's Day

"If a country is to be corruption free and become a nation of beautiful minds, I strongly feel there are three key societal members who can make a difference. They are the father, the mother and the teacher."
- Br. A. P. J. Abdul Kalam

Teachers at HIS strive to bring a holistic education, not only educating minds but also caring for spiritual, emotional and moral development of their students. As Ms. Lovely shared in a fun illustration, teachers can wear many different hats at one time, filling various roles. Thank you teachers for all that you do both in class and behind the scenes to help our children grow!

Inter-School Sports

The HIS School Basketball (Girls and Boys) and Football (Boys) teams took part in the Inter-school Football and Basketball Competition conducted by the Bangalore International School. The teams practiced diligently and faithfully and gave their very best. Even though some of the students that played were much older and bigger, our students played with fervour, and we are very proud of each one of them.

We are also grateful for Coach Lee Simon (Basketball) and Coach Douglas Azariya (Football) for their dedication and commitment.

Congratulations to the football team, who won Third Place!

Special Recognition went to Karun Anchen for Best Defender in Basketball and to Nathan Ralte for Best Player in Football.
