

HERITAGE HERALD

January - March 2024

SCHOOL PICNIC

Taking a siesta from school, students enjoyed fun and relaxation at the Fiestaa Resort. It was a day to hang out with friends and take part in fun activities, such as horse riding, swimming, bouncy houses, games and karaoke.

SCIENCE FAIR

Each year students have the opportunity to ask questions and better understand the world around them in preparation for the annual Science Fair. Some students learn through building models of the Earth, the human body, weather, space or even ISRO's Aditya-L1. Others explore curiosities and test "what will happen if" people eat too many sweets or robots could pick up waste for recycling. And some students just have fun playing with gadgets and technology. Whatever the motivation, there were many cool and interesting projects on display.

CARNIVAL

Every year the 8th grade GP class organizes a carnival to raise funds for a cause of their choice. This year's 8th grade batch chose to raise money for Abhayam, an NGO that helps youth overcome addictions. Eighth grade students sold food and organized games and activities, such as bracelet making, donut-eating-competitions, soap making, karaoke and a mystery-solving "Escape Room". The day was a huge success.

SPECIAL FOOTBALL MATCH

The HIS Football Team played a fun and friendly match against the Abhayam Team as a part of Missions Week and in continuation of raising funds for this NGO. The event was open to parents where they could purchase handicrafts and snacks. All proceeds went to the work of Abhayam.

WORLD BOOK DAY

"Reading for pleasure is the single biggest indicator of a child's future success."

-(as quoted in the World Book Day website)

World Book Day was started to encourage a love of reading for children from every background and location. Every year HIS celebrates World Book Day as students dress up as their favourite book characters and share a bit about their favourite books with their classmates. There were even a few teachers dressed up and in character.

Lantern Day

Students from grades 1-9 presented poems, songs, prayers and more in a language they are studying: mainly Kannada, Hindi and French.

10TH GRADE GRADUATION

On Saturday, March 9, a long awaited day came for the Class of 2024: the Graduation Ceremony. The ceremony included prayer, a choir performance, and a special word from our chief guest, Mr. Mohan Patnaik.

The Class of 2024 demonstrated leadership, sportsmanship, innovation, hard work along with fun and style. We pray that each may know God's special calling and accomplish things beyond their imaginations and dreams.

Heritage International School

'23 - '24 was a
great year.
We look forward to
'24 - '25!
